

POS \$ REDUCTION

Cut Processing Fees & Maximize Efficiency

SYSTEM OPTIMIZATION

- ☐ Train staff properly to reduce transaction errors and chargebacks
- ☐ Set up batching to process during non-peak hours (lower fees)
- ☐ Enable address verification (AVS) to reduce fraud and lower rates
- ☐ Encourage debit card use over credit cards **(Save 1-1.5%)**
- ☐ Review and dispute all chargebacks immediately

REPORTING & MONITORING

- ☐ Review processing statements monthly for rate increases
- ☐ Track effective rate (total fees ÷ total volume) monthly
- ☐ Monitor for downgrades costing you higher rates
- ☐ Audit for duplicate charges and billing errors
- ☐ Set up alerts for unusual transaction activity
